

## ANDREW GILDER:

### ABRIDGED RESUMÉ

**Director: IMBEWU Sustainability Legal Specialists (Pty) Ltd.** ([www.imbewu.co.za](http://www.imbewu.co.za))

**Senior Associate: Warburton Attorneys**  
([www.warburtons.co.za](http://www.warburtons.co.za))

In 2010 - 2011 the Practical Law Company in London ranked Andrew as a "highly recommended" attorney in the field of environmental law in South Africa (see: [www.practicallaw.com/environment](http://www.practicallaw.com/environment)).

### EDUCATION

- ▣ **BA (Bachelor of Arts):** Majors: Law, English and Classical Studies), University of Natal (Durban), 1987.
- ▣ **LLB (Bachelor of Laws)**, University of Natal (Durban), 1989 (Maritime Law elective).
- ▣ **LLM (Master of Laws) (Marine and Environmental Law)**, University of Cape Town, 2003.
- ▣ **Post-Graduate Diploma:** Drafting and Interpretation of Contracts, University of Johannesburg, 2004.

### PROFESSIONAL AFFILIATIONS:

- ▣ Admitted as an Attorney in the Cape of Good Hope Provincial Division (South Africa), February 2001.
- ▣ Enrolled as an Attorney in the Transvaal Provincial Division (South Africa), July 2003.
- ▣ Member of the Environmental Law Society of South Africa ([www.elasa.co.za](http://www.elasa.co.za)).
- ▣ Legal Research Fellow: Centre for International Sustainable Development Law ([www.cisd.org](http://www.cisd.org)).
- ▣ South African Clean Development Mechanism Industry Association (SACDMIA): Secretariat and Leader: Tax & Legal Working Group.
- ▣ Climate Change and CDM Legal and Policy Advisor to *25° in Africa* (a South African renewable energy and carbon publication): <http://www.25degrees.co.za>).
- ▣ Convenor of IMBEWU's participation, as the South African member, in the Global Climate Network ([www.globalclimatenetwork.org](http://www.globalclimatenetwork.org)); and, the Regional Climate Change Programme ([www.rccp.org.za](http://www.rccp.org.za)).
- ▣ Member of Advisory Panel of the International Energy Agency for the compilation of a Model Regulatory Framework for Carbon Capture & Storage in Developing Countries.
- ▣ Convenor of the Climate Change Thinkers' Forum, an initiative of IMBEWU and Media in Africa aimed at providing a platform for the discussion of climate change and business considerations.
- ▣ Associate Editor: Climate Change Law Review ([www.lexxion.de](http://www.lexxion.de))

### EXPERIENCE:

**IMBEWU Sustainability Legal Specialists (Pty) Ltd (April 2003 to present):**

- ▣ Specialising in climate change and environmental law, with particular attention to the developing international and South African climate change legal regimes, climate change and business strategic considerations, the implementation of Clean Development Mechanism (CDM) projects in South Africa and legal matters pertaining to Carbon Capture and Storage.
- ▣ Primary responsibility for IMBEWU's **Climate Change & CDM Legal Consultancy Unit** and **Warburton Attorneys Carbon Markets Law Unit**. Clients include national, provincial and municipal governments (South African and non-South Africa), institutional and industrial entities. The Legal Consultancy Unit's competencies include: climate change legal consulting; CDM and environmental legal training and capacity building; legal assistance with CDM project implementation (across the full CDM Project Cycle); advice on applications for relevant environmental and other authorisations for CDM project implementation; negotiation and drafting of contracts related to CDM project implementation, including Co-operation Agreements, Project Development Contracts and Emissions Reductions Purchase Agreements for both compliance and voluntary carbon credits; carbon finance business strategy development for the private and public sectors; advice on the evolving South African air quality and power generation legal regimes; and, legal assistance with the development of Carbon Capture and Storage projects.
- ▣ A wide range of training activities, including of new members of staff, particularly in climate change, carbon market-related, power and air quality matters.
- ▣ Certain other services provided by IMBEWU, including the legal component of environmental impact assessments, conducting workshops on environmental legal awareness, providing general legal support, advice and assistance on corporate level policy issues, monitoring legal developments and providing commentary on legislative and policy developments.

### March 2002 to April 2003:

- ▣ Part-time environmental legal consultancy (partly with Earthworks, Cape Town).
- ▣ Co-drafted Western Cape Draft Biosphere Reserve Bill.
- ▣ Co-drafted UNESCO-funded manual dealing with the implementation of the UNESCO-MAB Biosphere Reserve concept in South Africa.

## January 2000 to February 2002:

- ▣ Herold Gie Inc. (Attorneys and Conveyancers), Cape Town, Commercial Litigation Department.

## Previously:

- ▣ Research Assistant to Prof. Jan Glazewski, Institute of Marine and Environmental Law, UCT (1999), particularly in regard to Glazewski, J., *The Environmental Laws of South Africa*, First Edition, 1999.
- ▣ Contribution to climate change chapter in Glazewski, J., *The Environmental Laws of South Africa*, Second Edition, 2005.
- ▣ Part of a small group of international experts requested to review a draft Biosphere Reserve Handbook published under the auspices of UNESCO's Man and the Biosphere (MAB) Programme.
- ▣ Professional freelance journalism (South Africa, London, Istanbul / *Mail & Guardian*, *Cape Times*, *West Africa Magazine*, *Turkish Daily News*).
- ▣ Teaching English as a Foreign Language (Istanbul, Cape Town).
- ▣ Freelance Annual Report writing for various South African theatre companies.

## PROFESSIONAL PRESENTATIONS:

(For brevity's sake interventions of a similar nature are grouped)

- ▣ *Recent Developments in the CDM Rules and Practical Implications for Project Development*, presentation made to the Climate Change and Carbon Markets Africa 2011 Conference, 24 January 2011, Johannesburg.
- ▣ *The Road to Durban – Perspective on South African Climate Policy and UNFCCC COP 17*, presentation made for the Global Climate Network (London), 18 January 2011.
- ▣ Presentation made, in London, to Oxfam conference: *Climate Change Liability: Transnational Law and Practice*: reporting on progress on South Africa country chapter, 17 January 2011 (see also reference under section entitled: "Book Contributions / Papers / Articles & Reports).
- ▣ Discussant for Scholtz, W. *Environmental Security and International Law*, at a seminar entitled *The Promotion of Environmental Security in Africa through regional Law*, held by the North-West University in collaboration with the Konrad Adenauer Stiftung, on behalf of the South African Institute for International Affairs, 10 November 2010.
- ▣ *Developing Legal Due Diligence in CDM Project Implementation*, presentation made for Clean Development Mechanism Africa Conference, 29 September 2010
- ▣ *The International Carbon Market and Renewable Energy Trading: linkages and SADC*

*regional opportunities and challenges*, presentation made to the Seminar on Cross-Border Trading in the SADC Region, on behalf of the Regional Electricity Regulators Association (RERA), 13 August 2010

- ▣ *CDM as a catalyst for increased Built Environment Energy Efficiency Programmes*, presentation made for the US-SA Power Partner Programme: "Understanding the South Africa Power Sector - Policy, Investment and Energy Efficiency", 12 August 2010
- ▣ *Climate Change and Sustainable Development*, presentation made for the African SAP User Group (AFSUG), Enterprise Sustainability SIG Meeting (Finance & GRC), Wednesday 14 July 2010
- ▣ *The International Climate Change Regime & Outcomes of COP15*, presentation made for the Environmental Law Association of South Africa's seminar "Moving Towards a Low Carbon Future: The International Climate Change Regime: Opportunities & Challenges for South Africa", 22 May 2010
- ▣ Presentation made at the Mineral Law & Policy Conference (Southern African Institute of Mining and Metallurgy), 12 April 2010: *The Evolution of the South African Climate Change Regime – background, pending developments and implications for the mining sector*.
- ▣ Presentation made at the India launch of the Global Climate Network, New Delhi, 7 April 2010: *Challenges and Options for Climate Change Finance in South Africa*.
- ▣ Presentation made to the Executive Management Team of the City of Cape Town, Cape Town, 30 March 2010: *South African Municipalities - Opportunities within the International Carbon Market*.
- ▣ Presentation made at the Climate Change and Business Conference, Johannesburg, South Africa, 17 March 2010: *Copenhagen Accord: Global implications & impact on South Africa*.
- ▣ Presentation made at the Energy Indaba 2010, Johannesburg, South Africa, 25 February 2010: *The environmental commodities associated with renewable energy projects: considerations for contracting*.
- ▣ Presentation made for the International Energy Agency CCS Regulators Network Meeting, Paris, 21 January 2010: *Carbon Capture and Storage: the South African Status Quo*.
- ▣ Presentation made for Carbon Markets Africa 2009, 9 & 10 November 2009: *Legal and Contractual Issues for CDM Projects*.
- ▣ Presentation made for Air Quality Conference, 3 September 2009: *Assessing the Legal Framework Pertaining to Air Quality Management in South Africa*.
- ▣ Presentation made for Eighth Biennial SSAG Conference - Special session on climate change, 2 September 2009: *The Clean Development Mechanism and the international carbon market: a critical view and potential for South Africa*.

- ▣ Presentation made for Korean Embassy CDM Conference, Johannesburg, 28 July 2009: *Some Legal & Practical Considerations for developing Clean Development Mechanism (CDM) projects in South Africa.*
- ▣ Presentation made at the Buy Environmental 2009 conference on 9 June 2009: *Clean Development Mechanism (CDM) – Opportunities for South African Cities and Companies.*
- ▣ Presentation made at the CDM Bazaar 2009 conference: *The Clean Development Mechanism – Legal Considerations*, 10 February 2009.
- ▣ Presentation made at the Energy09 Conference on 28 January 2009: *Opportunities Arising from the Clean Development Mechanism (CDM) for the Energy Sector in South Africa.*
- ▣ Presentations made for KC Facilitating Solutions (Strategic Environmental Legal Considerations for the Board): *Air Quality and Climate Change*, November 2008, February 2009 and June 2009.
- ▣ Presentation made to masters environmental law students at the University of Cape Town: *The International Climate Change Legal Regime: origin and recent developments including a South African perspective*, 23 February 2009.
- ▣ Presentation made at the CCS Workshop on 26 November 2008: *Carbon Capture and Storage Regulation – South Africa.*
- ▣ Presentations made at Carbon Markets Africa 2008 (17 & 19 November 2008): *Legal and Contractual Issues for CDM Projects and Understanding Legal Implications for CDM Projects.*
- ▣ Participation, as an invited guest speaker and panelist, in the Africa Carbon Forum, Dakar, Senegal, 3-5 September 2008, Roleplay presentation: *Carbon Law & Emissions Reductions Purchase Agreement*, Panelist: *Assuring CER Delivery: Project Performance Issues*
- ▣ *CDM Landfill to Power Generation Projects in South Africa*, presentation made for the City of Johannesburg at the Climate Change Summit on 2 June 2008.
- ▣ *The International Climate Change Legal Regime: origin and recent developments from a South African perspective*, presentation made to Masters students in international environmental law at the University of Pretoria, School of Public Law, 13 March 2008.
- ▣ *Carbon Capture & Storage Regulatory Gaps in South Africa*, Carbon Capture & Storage Conference, Glenhove Conference Centre, Johannesburg, 20 February 2008.
- ▣ *The Demise Culture of Sustainability in South Africa*: presented at the Renewable Energy Projects Conference on 19 February 2008.
- ▣ *CDM Business Opportunities in the context of Environmental Industries and Africa's position post-Bali up to 2012*, CDM Africa 2008 Conference, Gallagher Estate, Johannesburg, 28 & 29 January 2008
- ▣ *Bali, COP 13 Report Back*, to the Royal Danish Embassy (Pretoria) / Danida, 22 January 2008.
- ▣ *The BASIC Project: Strengthening the capacity of developing countries to prepare for and participate in negotiations on future actions under the UNFCCC and its Kyoto Protocol - "A South African Perspective"*, 13 December 2007, UNFCCC COP 13, Kyoto Protocol MOP 3, Side Event, Grand Hyatt, Nusa Dua, Bali, Indonesia.
- ▣ *International Carbon Market - Origin and Development*, for the Kyoto Protocol Targets Dialogue Conference, Indaba Hotel Johannesburg, 12 September 2007.
- ▣ *Landfill Gas CDM Projects: Carbon finance for better Municipal Waste Management*, for the National Environmental Management: Waste Management Bill 2007 Conference, Sandton Sun, Johannesburg, September 2007
- ▣ *Strategies for Carbon Contracting and ERPA Negotiation*, presented as a parallel clinic at the African Bankers' Carbon Investment Forum, Development Bank of Southern Africa, 30 May 2007.
- ▣ *Enviro-Legal Due Diligence and Safeguards in Carbon Projects*, co-presented as a parallel clinic at the African Bankers' Carbon Investment Forum, Development Bank of Southern Africa, 28 May 2007.
- ▣ *Sustainable Development: some environmental legal considerations*, presented at: Sustainable Development Conference, Park Hyatt, Rosebank, Johannesburg, 2 April 2007.
- ▣ *Clean Development Mechanism: some legal considerations*, presented at the Energy Development Corporation Roundtable, Sandton Convention Centre, 3 April 2007. EDC is a subsidiary of the South African Central Energy Fund (Pty) Ltd.
- ▣ *A Consideration of the Relationship between the Air Quality Act (39/04) and the Environmental Impact Assessment Regime*, presented at the Enviro Summit 2007, Birchwood Convention Centre, 27 February 2007.
- ▣ *Contracting for the Sale of Certified Emissions Reductions (CERs)*, presented at CDM Africa 2007, The Castle, Kyalami, Midrand, January, 2007.
- ▣ Presented components on the NEM: Air Quality Act (No. 39 of 2004), NEM: Protected Areas Act (No.57 of 2003) and NEM: Biodiversity Act (No. 10 of 2004) at a workshop, provided to Eskom, entitled: *Environmental Legal Compliance – New Developments*, on 16 November 2006.
- ▣ *Clean Development Mechanism (in perspective & legal considerations) and Validation and Verification in CDM Projects*, presented on various occasions at provincial workshops arranged by the South African Designated National Authority for the Clean Development Mechanism in Mpumalanga, Western Cape, Kwa-Zulu Natal, Gauteng, North West; and, for sectoral workshops on energy efficiency.
- ▣ Made presentations and facilitated a biosphere reserve-focussed workshop for the Protected Areas Forum of the Cape Action Plan for People and the Environment (C.A.P.E) on 24 and 25

- October 2006. The presentations were entitled *Legal Interventions on behalf of the Biosphere Reserve*; and, *UNESCO MAB: SA Biosphere Reserve Implementation Guidelines* (co-presentation).
- ▣ *The Implementation of Clean Development Projects in the context of the Municipal Finance Management Act*, made on behalf of the South African Designated National Authority for the Clean Development Mechanism and the Development Bank of Southern Africa, on 18 September 2006, for a workshop convened specially to address issues relating to the implementation of CDM projects by South African municipalities.
  - ▣ *The South African law relating to carbon capture and storage: international dimension, status quo and future considerations*. Presentation made to delegates at the Coal & Climate Change 2006 Colloquium, held at the Council for Geoscience, 13 June 2006.
  - ▣ *Climate Change Law in South Africa – A Practitioner’s Perspective* to masters students in international environmental law, University of Pretoria, 15 March 2006 and University of Cape Town, School for Advanced Legal Studies, 11 April 2005.
  - ▣ *Regulatory Options for South Africa regarding the mitigation of greenhouse gas emissions with reference to selected international jurisdictions*. Presentation, made at BASIC China Workshop: 19 February 2006, Beijing, China, and on 16 October 2005 as part of South African workshop for the BASIC project in Johannesburg. IMBEWU was a South Africa Team member of the BASIC project: “Building and Strengthening Institutional Capacity on Climate Change”. See: <http://www.basic-project.net/>
  - ▣ *Regulatory Options for Implementing Climate Change Laws in South Africa*. Presented on 18 October 2005 as part of the CCLaw Assist Side Event at the South African National Climate Change Conference, 17 to 20 October 2005. CCLaw Assist is a project of Baker & McKenzie Solicitors and the Institute of Development Studies (University of Sussex).
  - ▣ *Overview of Greenhouse Gas International Emissions Trading*. Presented at Eskom Emissions and Green Power Trading Day, 15 July 2005.
  - ▣ Presentation & Paper: *Clean Development Mechanism Greenhouse Gas Emissions Mitigation Projects: International and National Legal Frameworks, Project-Drivers and Implications for Environmental Impact Assessment* at the annual conference of the International Association of Impact Assessors (South Africa) (IAIASa), October, 2004.
  - ▣ Presentation & Paper: *Clean Development Mechanism Greenhouse Gas Emissions Mitigation Projects: International and domestic legal background, project-drivers and the status of actions to establish the required national framework for their implementation* at the

annual conference of the National Association for Clean Air (NACA), October, 2004.

- ▣ *Clean Development Mechanism Projects and the South African Mining Industry: Key Legal Issues for Consideration*, presented by IMBEWU at the South African Chamber of Mines Conference: Mining and Sustainable Development, South Africa, Johannesburg, November, 2003.

#### **PROFESSIONAL ACTIVITIES:**

(For brevity’s sake interventions of a similar nature are grouped)

- ▣ External reviewer for World Resources Institute, *CCS Guidelines for Community Engagement*, November 2010 ([www.wri.org](http://www.wri.org)).
- ▣ Attended the Fifteenth Conference of the Parties to the UNFCCC and the Fourth Meeting of the Parties to the Kyoto Protocol, Copenhagen, Denmark, in December 2009.
- ▣ Attended Carbon Markets Africa, Cape Town, South Africa, 10 to 12 November 2009.
- ▣ Attended Carbon Expo 2009, Barcelona, Spain, 27 to 29 May 2009.
- ▣ Attended strategy-planning meeting for the Global Climate Network, London, England, 21 and 22 May 2009.
- ▣ Attended the Fourteenth Conference of the Parties to the UNFCCC and the Fourth Meeting of the Parties to the Kyoto Protocol, Poznan, Poland, December 2008.
- ▣ Attended and presented at the Carbon Markets Africa Conference in Cape Town in November 2008.
- ▣ Attended the African Carbon Forum in Dakar, Senegal in September 2008.
- ▣ Attended the Thirteenth Conference of the Parties to the UNFCCC and the Third Meeting of the Parties to the Kyoto Protocol, Bali, Indonesia, December, 2007.
- ▣ Attended “Carbon Expo 2007”, Cologne, Germany, May 2007.
- ▣ Attended the Twelfth Conference of the Parties to the United Nations Framework Convention on Climate Change and the Second Meeting of the Parties to the Kyoto Protocol, Nairobi, Kenya, 2006.
- ▣ Workshop facilitation and *rapporteur*: for a biosphere reserve-focussed workshop of the Protected Areas Forum of the Cape Action Plan for People and the Environment, 24 & 25 October 2006.
- ▣ Assisted in the arrangement of, and acted as *rapporteur* for, the South African working session held under the auspices of the Royal Netherlands Embassy, on 11 September 2006, as a precursor to the Make Markets Work international meeting, hosted by the Netherlands Environment Ministry (VROM) on 16 and 17 October 2006. <http://www.vrom.nl/makemarketwork>
- ▣ Attended the BASIC workshop in Sao Paulo, August, 2006.

- ▣ Attended “Carbon Expo 2006”, Cologne, Germany, April 2006.
- ▣ Attended the BASIC workshop in Beijing, China, February 2006.
- ▣ Attended the BASIC workshop in Johannesburg, South Africa, October 2005.
- ▣ Attended, as South Africa Country Expert, the UNIDO Workshop “Support for the Development and Uptake of CDM Projects in the Industrial Sector: UNIDO Pilot Project in co-operation with Austrian Industry”, Vienna, Austria, November 2005. See: <http://www.unido.org/doc/43943>
- ▣ Attended “Carbon Expo 2005”, Cologne, Germany, April 2005.
- ▣ Attended “Carbon Market Insights” Conference 2005 (Point Carbon), Amsterdam, The Netherlands, 1-3 March 2005, including participation in post-conference workshops on legal, accounting and financing issues relevant to the implementation of greenhouse gas emissions mitigation projects.
- ▣ Attended the Ninth Conference of the Parties (COP 9) to the United Nations Framework Convention on Climate Change, Italy, Milan, December, 2003.
- ▣ Co-presented a report back on the Fifth World Parks Congress to the Enviroteach Seminar, South Africa, Johannesburg, September, 2003.
- ▣ *Rapporteur* for Vth World Parks Congress - Workshop Steam: Linkages in the Landscape/Seascape; Sub-stream (leaf): International Game Board. South Africa, Durban, September, 2003.
- ▣ Conducted South African Government Training course (Department of Environmental Affairs and Tourism) on environmental law and climate change, July, 2003.
- ▣ Articles drafted and co-drafted for Business Day ([www.businessday.co.za](http://www.businessday.co.za)): *Renewable Energy Feed-In Tariff* (co-author), Business Law & Tax Review, November 2010; *Climate change agreement elusive*, Business Law & Tax Review, April 2010; *New order (air quality regime) will bring a breath of fresh air*, Business Law & Tax Review, October 2009.
- ▣ Articles drafted and co-drafted for periodical: Twenty Five Degrees in Africa (South African renewable energy and energy efficiency trade publication, see: [www.25degrees.co.za](http://www.25degrees.co.za)/[www.imbewu.co.za](http://www.imbewu.co.za)): *The Copenhagen Accord – Implications for South African Policy Development*, Vol 5 No.2 (2010), *Overview: Carbon Tax*, Vol 4 No.4 (2009); *Countdown to Copenhagen*, Vol 4 No.3 (2009); *Carbon Expo 2009*, Vol 4 No.2 (2009); *DEAT Climate Change Policy Summit*, Vol 4 No.1 (2009); *UN Climate Change Conference – Poznan*, Vol 3 No.4 (2008), *Climate Commitments*, Vol 3 No.3 (2008), *The International Carbon Market: Status and Way Forward*, Vol 3 No.2 (2008), *Bali and Back Again*, Vol 3 No 1 (2008) *Perspectives on the Voluntary Carbon Market*, Vol 2 No.4 (2007), *CDM and Environmental Assessment*, Vol. 1 No.3 (2007), *Taking a Stern View*, Vol. 1 No.2 (2006), *International Climate Change Law*, Vol. 1 No.2 (2006).
- ▣ Co-drafted Paper (primary drafter): *Options for Greenhouse Gas Mitigation Mechanisms in South African Legislation*, IMBEWU’s contribution to the BASIC Project (see above for further reference to BASIC), November 2006. See: [www.imbewu.co.za](http://www.imbewu.co.za) to download the paper.
- ▣ Co-drafted Companion Resource: to *Options for Greenhouse Gas Mitigation Mechanisms in South African Legislation*, IMBEWU’s contribution to the BASIC Project (see above for further reference to BASIC), November 2006. See also: [www.imbewu.co.za](http://www.imbewu.co.za)

**BOOK CONTRIBUTIONS / PAPERS / ARTICLES & REPORTS:**

- ▣ *Climate Change Liability: Transnational Law and Practice*, Oxfam, co-author of South African country chapter with Glazewski, J., and Collier, D (pending).
- ▣ *Delivery and Viability of Landfill Gas CDM Project in Africa – A South African Experience*, co-author with R. Couth and C. Trois (University of KwaZulu-Natal, CRECHE, School of Civil Engineering, Survey and Construction), J. Parkin and M. Wright (Department of Cleansing and Solid Waste, eThekweni Municipality, Durban, South Africa) and L. J. Strachan, GreenEng (Pty) Ltd, Pharos House, Westville, Durban, South Africa, *Renewable and Sustainable Energy Reviews Journal*.
- ▣ *The Current Status of CCS development in South Africa*, co-author with Brendan Beck (International Energy Agency), Tony Surridge (South African Carbon Capture and Storage Centre), Jaco Liebenberg (Sasol New Energy), **Elsevier, Energy Procedia**, Energy Procedia 00 (2010) 000–000, [www.sciencedirect.com](http://www.sciencedirect.com).
- ▣ Articles drafted and co-drafted for periodical *Climate Investment Newsletter*: (i) “South African CDM Update”, with Melissa Basterfield, October 2006; (ii) “The Clean Development Mechanism and Environmental Impact Assessment in South Africa”, January 2005; and, (iii) “The South African Designated National Authority for CDM”, January 2005. See: [www.imbewu.co.za](http://www.imbewu.co.za) & [www.climatebusiness.net](http://www.climatebusiness.net)
- ▣ Report: Co-drafted report entitled *Support for the Development and Uptake of CDM Projects in the Industrial Sector: UNIDO Pilot Project in co-operation with Austrian Industry: Country Report: South Africa*, January 2006.
- ▣ Co-drafted Manual: *UNESCO MAB: South African Biosphere Reserve Implementation Guidelines*, completed 2004.
- ▣ Drafted a chapter: on legal and risk issues in the Clean Development Mechanism established under the Kyoto Protocol to be included in the publication entitled: “CDM Projects:

Opportunities for Danish Industry”, published on the internet by the Danish Energy Authority, February 2004.

- ▣ Co-drafted UNDP Report: *Engaging the Private Sector in Clean Development Mechanism Related Activities in South Africa. National Environmental Legal Requirements Applicable to Landfill Gas Capture and Use on Landfill Sites in South Africa*, July 2003.

**February 2011**
