www.imbewu.co.za; www.imbewuregisters.co.za

IMBEWU Sustainability Legal Specialists (Pty) Ltd

- A Johannesburg (South Africa) based legal specialist sustainability legal consultancy.
- Provides services to the South African and international markets.
- Employs seven lawyers all specialising in an aspect of environmental, climate change or health & safety law.
- Climate Change and CDM Specialist Legal Advice.
- Collaboration with Warburton Attorneys (www.warburtons.co.za).
- Most of the professional services offered by IMBEWU can also be provided in French. IMBEWU provides technical French/English translation services in its field of expertise.

LEGAL TRAINING COURSES

- IMBEWU Sustainability Legal Specialists (Pty) Ltd is specialised in the development of customised and focused legal training courses pertaining to sustainability related topics.
- IMBEWU mainly provides in-house training courses, aimed at addressing specific topics or issues, as selected by the client. Each course is developed in accordance with the client's needs and expectations and in consideration of the audience capabilities and expected outcomes. Courses vary in scope, depth and duration in accordance with client's brief.
- IMBEWU also provides generic or specific learning programmes which are open to a wide range of attendees, in climate change, health, safety and environmental law, which are mainly aimed at providing a practical, cost effective and focused overview of the most relevant regulatory requirements in these areas.

MODULES FOR UNIVERSITIES

- **Wits Business School:**
 - 5 Day Climate Change & Carbon Markets Management Development Programme
- **Rhodes University Business School**
 - Climate Change & Resource Efficiency Short Course for the MBA, Sustainability Module
- **North West University**
 - Climate Change Law & Governance Module relating to the Masters Degree in Environmental Law
 - Various guest lectures for the Masters Degree students in Environmental Law
- **University of the Witwatersrand**
 - Various guest lectures for the Masters Degree in Environmental Law
- **UCT and University of Pretoria**
 - Climate Change International Legal Regime & SA Position

STRATEGIC TRAINING PARTNERSHIPS

- Coastal and Environmental Services (CES) – a number of specific, strategic workshops customised for CES and their clients including municipalities and on EIA.
- Training with other multi-disciplinary professionals such as financial and technical carbon project specialists, EAPs, engineers, journalists, regulatory officials, lecturers, etc.

EXAMPLES OF IMBEWU WORKSHOPS (1)

- Climate Change and Renewable Energy Law Workshop: A Strategic Understanding of the Evolving Environmental Legal Landscape
- Legal Training Workshop: The South African Waste Management Legal Regime and the Implications of the National Environmental Management: Waste Act 59 of 2008
- Legal Training Workshop: National Environmental Management: Air Quality Act 39 of 2004: The Implications and the Required Response to the Act at a Management and Operational Level
- Environmental Law 101 Workshop – A strategic overview of the South African Environmental Legal and Institutional Framework

EXAMPLES OF IMBEWU WORKSHOPS (2)

- Environmental Regulation of Activities in the Coastal Zone: Focus on EIA for Coastal Activities.
- A Cross Cutting and Integrated EIA Training Workshop: Impact Assessment provisions in the NEM: Air Quality Act 39 of 2004, the NEM: Waste Act 59 of 2008, the NEM: Integrated Coastal Management Act 24 of 2008, the National Water Act 36 of 1998 in relation to 2010 EIA Regulations.
- Workshop for Climate Change Journalists - journalists will be trained on climate change and policy issues with a view to better reporting around the United Nations Framework Convention on Climate Change (UNFCCC) 17th Conference of the Parties (COP17) to be held in Durban in November/December 2011.

CUSTOMISED WORKSHOPS FOR CLIENTS

- Environmental Legal Liability Training: Certain key aspects of environmental law, environmental legal compliance and potential liabilities for managers customised to the company's requirements.
- Legal Framework for EIA and the importance of legal issues within the context of the NEMA EIA Regulations.
- Climate Change Legal Training (Adaptation & Mitigation).
- On all the Acts and specific issues such as contaminated land provisions.

COMMENTS ON COURSES

- Benjamin Richardson, Osgood University, Toronto on Climate Change LLM Module:
 - “This is pioneering and admirable. Your syllabus covers a lot of issues.”
- Jabu Ntuli, BP South Africa, SHE Advisor on a presentation made on the Coastal Act:
 - “I really enjoyed the presentation and learned a lot.”
- Hermanus Prinsloo, Anglo American, Senior Environmental Manager on the Integrated EIA workshop:
 - “This will be a value adding workshop.”
- Vuyo Keswa, TNPA Richards Bay, Assistant SHE Manager on Environmental Legal Liability Training:
 - “Thanks a million for the presentation, looking forward for the future.”
- Barbara Kasl, Cabanga Concepts, EAP on the Air Quality Workshop:
 - “It was very useful and I certainly walked away with much more clarity regarding the Act and relevance to my field. I think overall I got a lot more info than anticipated.”
