LEGAL TRAINING WORKSHOP:

CLIMATE CHANGE & RENEWABLE ENERGY LAW

Date: **6 May 2011 (09:30 - 15:00)**

Venue: **62 Westbourne Road, Kenton-on-Sea (Eastern Cape)**

Cost: **R800.00 per person (Excluding VAT)**

This workshop is aimed at providing a strategic overview and analysis of the South African policy and legal institutional frameworks relating to climate change and renewable energy.

The following policy and legal documentation will be analysed in detail:

- National Climate Change Response Green Paper 2010;
- Long Term Mitigation Scenario (LTMS);
- Government's vision and programme for climate change;
- The international legal regime related to climate change and the UNFCCC 17th Conference of the Parties (COP17) to be held in Durban in 2011;
- Renewable Energy Feed-in-Tariff (REFIT);
- Renewable Energy Policy;
- Integrated Resource Plan (IRP2010);
- Power Purchase Agreements (PPA); and
- Environmental Impact Assessments for renewable energy projects.

This workshop will be strategic and practical. It will provide attendees with a detailed understanding of the evolving regime in respect of climate change (especially mitigation) and the environmental legal requirements for renewable energy projects.

Workshop host and facilitator: Marie Parramon (Sustainability Legal Consultant)
